

## Permission to Transport in Case of an Emergency Evacuation

I hereby give permission for St. Mark Lutheran Preschool and Childcare to transport my child, \_\_\_\_\_ to an emergency relocation site for staff, teachers and children when it is unsafe to remain at the Childcare Center. In the event of a crisis, children will walk, or will be driven by a staff member to the evacuation location. I understand that normal safety rules will be followed as much as possible, but that the highest priority is to relocate to a safe location.

St. Mark emergency transpiration agreement shall remain in effect until May 31, 2024.
